Don't ever kiss behind the gorden gote; Love is blind, but the neighbors aun't! Good luck,

The 1974 Talon has been conceived in the hopes that it would capture within its pages the true character and personality of Clear Lake High School along with the movement and change that the year has seen with each season.

We should measure time, measureless and the immeasurable.

We must adjust our conduct and even direct the course of our spirits according to hours and seasons;

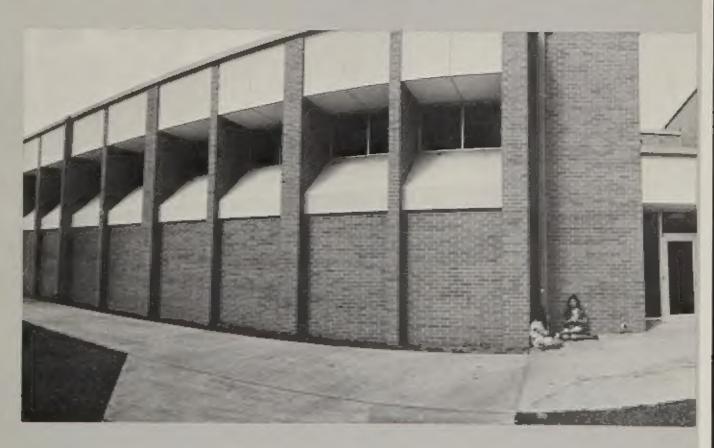

Always knowing that yesterday is but today's memory and tomorrow is today's dream.

If in our thoughts we must measure time into seasons, let each season encircle all the other seasons,

And let today embrace the past with remembrance and the future with longing.

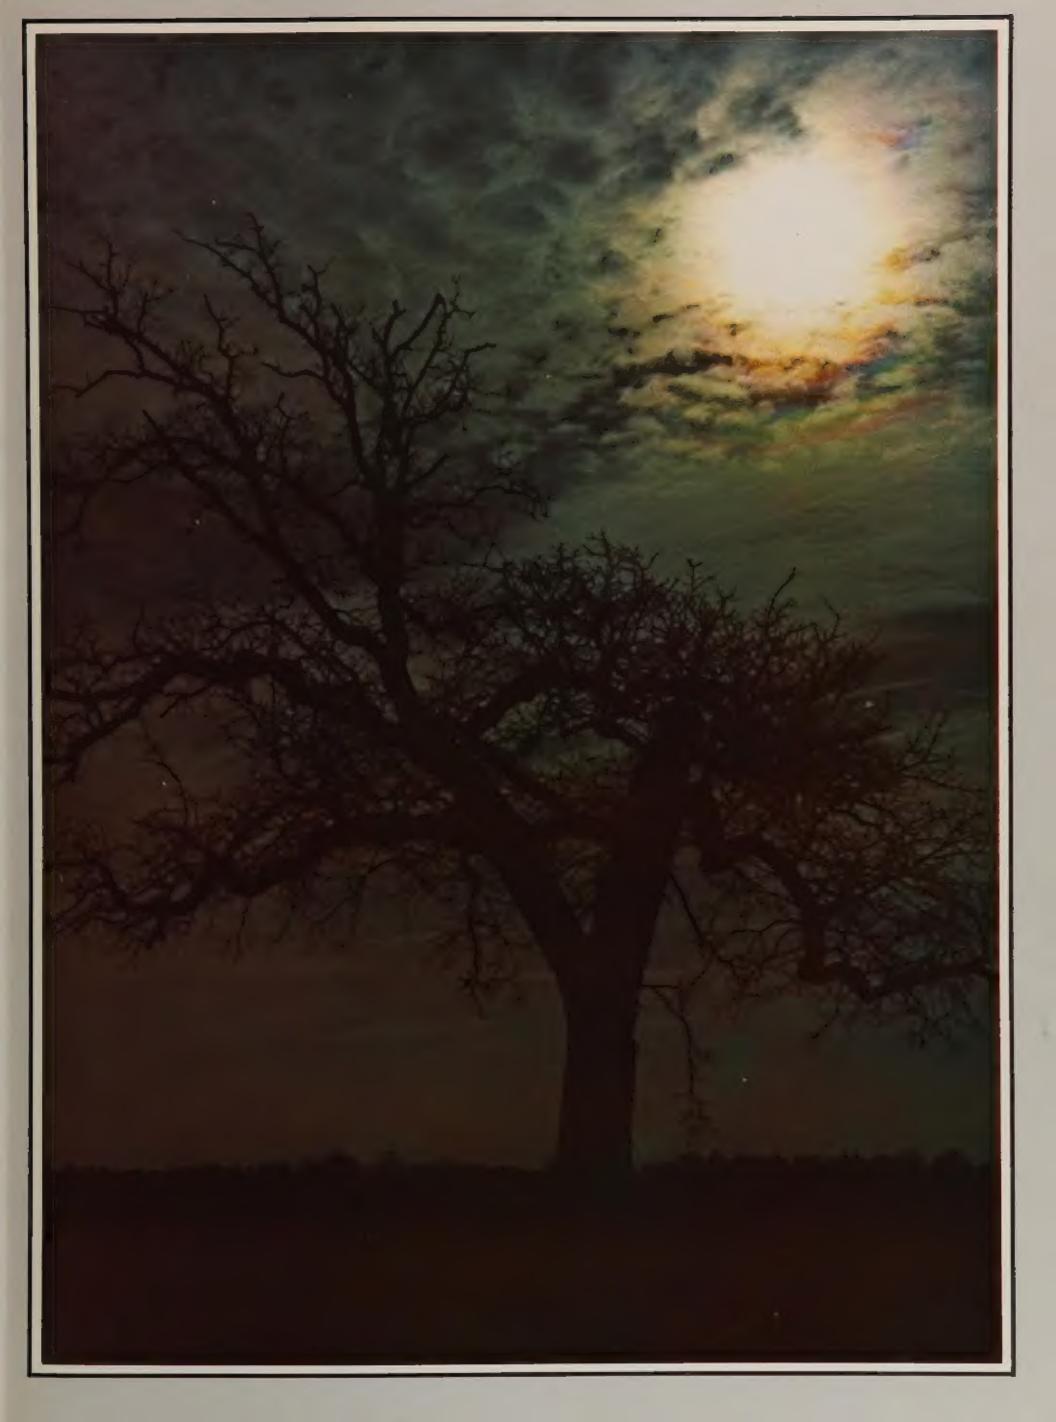

To everything there is a season and a time to every purpose under the heaven: A time to be born, and a time to die; A time to plant, and a time to pluck up that which was planted; A time to kill, and a time to heal; A fime to break down, and a time to build up; A time to weep, and a time to laugh; A time to mourn, and a time to dance; A time to cast away stone, and a time to gather stones together; A time to embrace, and a time to refrain from embracing; A time to get, and a time to lose; A time to keep, and a time to cast away; A time to rend, and a time to sew; A time to keep silence, and a time to speak; A time to love, and a time to hate; A time of war, and a time of peace. Ecclesiastes 3:1-8

## . . . And The Seasons They Go Round And Round . . .

Yesterday aich id came out to wonder

Caught a dragonf y inside a jar Fearful when the sky was full of thunder

And tearful at the falling of a star. Then the child moved ten times round the seasons.

Skated over ten clear frozen streams

Words like when you're older must appease him

And promises of someday make his dreams. Sixteen springs and sixteen.

Summers gone now

Cartwheels turn to car wheels through the town

And they tell him, "take your time," it won't be ong now

The you drag your feet to slow the circles down.
So the years spin by and now the boy is twenty.

Though his dreams have lost some grandeur coming true

There will be new dreams, maybe better dreams and plenty

Before the last revolving year is through. The seasons they go round and

round round and

The painted ponies go up and down We're captive on a carousel of time We can fireturn, we can only look behind.

From where we came And go round and round and round

In the circle game

We've only just begun... to live
White lace and promises
A kiss for luck and we're on our way
We've only just begun

Before the rising sun...we fly
So many roads to choose
We start out walking and learn to run
And yes, we've just begun

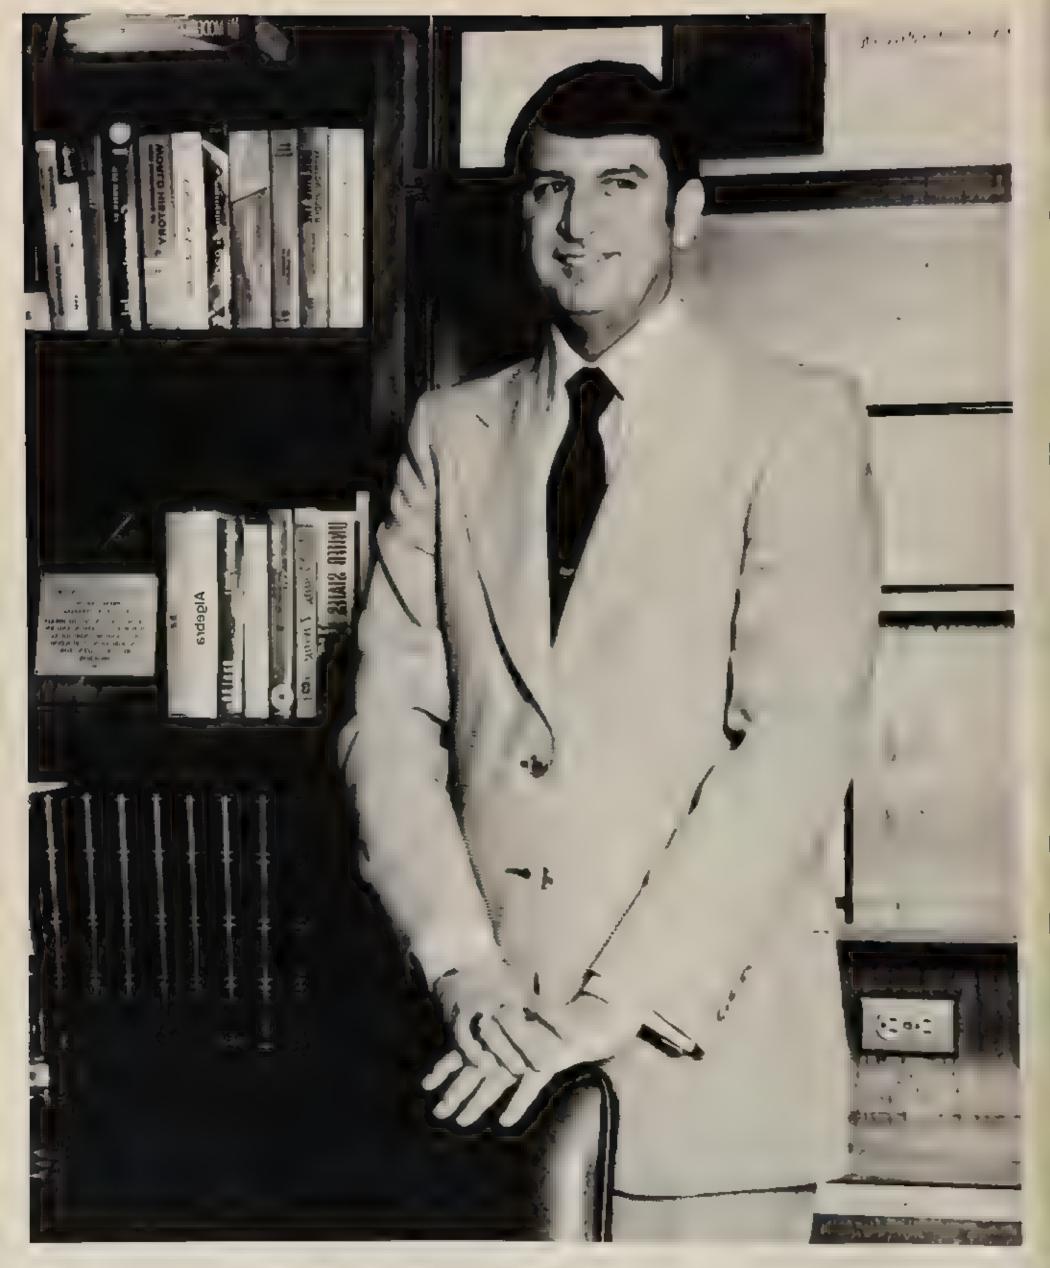

And when the evening comes . . . we smile So much of life ahead We'll find a place where there's room to grow And yes . . . We've only just begun .

The biggest event of the year was the class musical production, "Li" Abner." The class co-sponsored a 1950's Day complete with a sock hop. Spring activities were highlighted by the Senior Prom, a dinner-dance held at The Hyatt Regency on April 27. The Senior Picnic was an all day event at Baywood Country Club on Friday. May 10. Class song — sung by the class at graduation and the Awards Assembly

## WE MAY NEVER PASS THIS WAY AGAIN

Life, so they say, is but a game and they let it stip away.

Love, like the autumn sun, should be dying but it's only just begun like the twilight in the road up ahead. They don't see just where we're goin And all the secrets in the universe. Whisper in our ears and all the years will come and go and take us up, always up.

We may never pass this way again

Dreams, so they say, are for the folks and they let them drift away. Peace like the silent dove, should be dying but it's only just begun. Like Columbus in the olden days. We must gather all our courage. Sail our ships out on the open sea. Cast away our fears and all the years will come and go and take us up, always up.

We may never pass this way again

So, I wanna augh whire the laughin' is easy I wanna cry it it makes it worthwhile I may never pass this way again.
That's why I want it with you
Cause you make me feel like I m more than a friend.
Like I'm a journey and you're the journey's end I may never pass this way again.
That's why I want it with you

"I don't think we've done as much as last year's Seniors We need more parties! This year's Seniors are better than last year's intelligence wise Also there aren't so many people trying to act like 'big campus men'."

Peter Temple

Rhenda Patrick

'This Senior year was a blast you can get involved in so many activities. The play and powder puff are all happy memories. So many good parties!"

'It is been a very rewarding experience, one I will remember the rest of my life. The cafetena could use better food. I think we have too many hippies.'

Jeff Brummerhop

Debbie Sheffield

"There haven't been as many activities as I expected. Too many people are afraid of what everyone else is going to think. They related of having a good time.

Tommy Huits

"I like the people the most When people become Seniors they change — they loosen up and are not so restrictive. They make more fun and friendships I'll remember all the Senior activities and the fun we had Some advice to underclassmen — get your head together and enjoy your high school years because they go fast "

Virginia Barlow

'Considering that this is my first year here it was pretty good and everybody is real nice. The Senior play made the whole year. If I had to pick any new school to move into it would be this one.

## SEIDIOR CIL

## ASS OF 1974

## The Rip-Off

The Senior class met with financial disaster when he school safe was broken ato. Between 800 and 900 dollars was stolen, which was Senior treasury money. It looked as though Senior activities would be orfeited because of insufficient funds.

But the resourceful Senors came through with flying colors. Brian Collins, country and western singer, gave a show at Clear Lake to assist the class in their attempt to ecover losses from the ourglary. The show was successful and the Seniors egained over half of the money so badly needed for Senior funds.

Brian Sings His Songs . . .

Mike Knapp

I like the idea of this year being my last year. I'll be glad when it's over, I used to want to be a dump truck driver, but now that I think of it. I think I would rather be rich!

Annette Rea

My Senior year will mean a of for melli's a great experience — new friends, new experiences Clear Lake is a realingle school. I think I'll go home to Sweden with a lot of good memories of the U.S. In general, I understand tibetter.'

John Snygg

There are too many wild parties and there is a humor shortage in the Senior class. More mooning

Judith Burchfeld

I loved my Senior year I ve enjoyed meeting many new friends and teachers. I appreciate the consideration and devotion that the Senior class has given to the school."

Fred Kleinknecht

The beginning of this year started off pretty slow, but people are starting to loosen up and are looking for a good time. The games this year were a lot of fun. The only thing I want out of school is me! I think there should be more mooning, too!

Jana Overton

'Lif' Abner was a lot of fun and I would recommend everyone to try out for their Senior play because you meet so many people and have fun doing it I'm glad it's my last year on the tennis team.

Due to the technical difficulty of a late bus, we had to forfeit the 1st game in the meet. Though greatly disheartened, they fought hard and won a very impressive 2nd in District. Two members of the team, David Meeh, and Bob Poirier were named to the All-State team.

WHO LOVED MANUEL MANUEL

The Drama Department opened its second season at Clear Lake with a rip-roarin', two-gun-shootin', westernized version of William Shakespeare's *The Taming of the Shrew*. Retitled *The Man Who Loved Kat Minola*, the play was directed by Mr. Reggie Schwander, Lake's drama coach. Auditions in late August were followed by six weeks of intensive rehearsals during which the talented cast learned to speak the Bard's iambic pentameter with a decided Texas twang. The show ran for three evening performances, October 11, 12, and 16, and was shown at a special performance for the entire freshman class on the morning of October 18

Clear Lake's first Homecoming was from October 22 to October 26. The week opened with a student holiday on Monday Halls were decorated by organizations including the Patriots, the Band, the Cheerleaders, the Flairs, the French Collection, the Pan Am Club, the Sailing Club, and the German Club

p.m. on Thursday, followed by a pep rally and dance in the teacher's parking lot, with music provided by Devil's Wall. Refreshments and food were provided by the Booster Club. Russel Cox was announced the winner of the Mr. Grin and Bear It contest with Kim Pykosz and Stuart Jowell as runners-up

On Friday one hour lunch periods were scheduled and a W. C. Fields film was shown in the auditorium.

At 2:45 the pep rally began with the band, twirlers, choir, and Flairs performing. Football players presented mums to their moms, Renee Flowers was announced football sweetheart, and Mrs. Allen, Andy Allen's mother, was announced football mother of the year.

The Homecoming game opened with a special pre-game show at 7:15. The Senior Class of '73 were honored guests. The homecoming court and queen were announced during halftime. During football season, the cheerleaders also sponsored pre-game dinners with other schools' cheerleaders. During participation at summer camp at Sam Houston State University, the varsity cheerleaders won the spirit stick, a coveted honor that takes into consideration all aspects of cheerleading and is perhaps the highest award of overall excellence. The 1973-74 school year was a great success for the JRROTC. The Corps did its usual service for both high schools by providing ushers for football and basketball games, and for the Spring Festival presented by the choirs. This was the first year that the commanders and staff were changed at mid-term. C /Col King Beahan was the Battalion Commander for the first half of the year and C/Col Marc Boin was the Battalion Commander for the second half of the year. The new officers that began the year received their traditional initiation by being thrown into the pool in uniform. One of the first projects that the Corps undertook was to raise money for the muscular dystrophy telethon. This was a very successful endeavor, as the Corps collected over \$1600

One of the highlights of this year was the three day field trip to Fort Hood, Texas. Here the cadets got a real taste of Army life and Army food. Every cadet got to ride in a tank across rugged terrain. They also saw an impressive firepower demonstration by tanks, artillery, and mortars. All in all, the trip will be long remembered by all the Corps members who were in attendance.

The Armed Federal Inspection came off without a hitch. The Corps was better prepared for this inspection than any other from previous years. The inspectors had to look long and hard to find anything wrong with our cadets or the administration. The chief inspector said our Corps looked better than any units that he had inspected

The rifle team had a very active year. They participated in matches at the University of Texas at Arlington, University of Houston, Sam Houston State University, Ball High School, and La Porte Invitational Rifle and Drill Competition. This was the first time that our rifle team placed first, so naturally everyone was pleased. C/Smg Robert Stone, the team Captain, won sixth place at the University of Texas match

The Drill Team was not as active as the rifle team. They practiced hard, but were not allowed the chance to participate in many matches. They won the match that they did enter, though, with a first Next year's cadets will have a difficult time measuring up to the accomplishments of the 1973-74 Cadet Corps.

Attending the Houston Boat Show, sailing, going to the beach, and having parties were among the activities the SAILING CLUB participated in this year. By collecting dues and hosting money raising projects, the club was able to buy trophies and refreshments. Officers were: Commodore — Beverly Weathersby, Secretary — Darlene Johnson, and Treasurer — Paul Vogel. Sponsors were Shirley Riley and Katherine Kolb

The PHOTOGRAPHY CLUB sponsored by Mr Kertz, Mr. Graham, and Mr. Williams, had an enjoyable year in learning more about photography. They had many night labs in which students did their own processing. They also made several photography field trips. One of them included getting up at 4.00 A.M. and visiting a farm in Huntsville to take pictures.

## National Junior Honor Society

In order to be inducted into the NATIONAL JUNIOR HONOR SOCI-ETY, a student must make 24 grade points one quarter during his freshman or sophomore year. He is then evaluated by teachers, counselors, and principals on the basis of citizenship, leadership, character, service, and scholarship. Two votes of unacceptable disqualify the student from being accepted that quarter. Students must maintain 21 grade points each quarter thereafter or they are put on probation. Since the honor society is a National Organization, membership may be transfered from one school to another. Members of the National Junior Honor Society. who maintain 21 each quarter are automatically inducted into the National Senior Honor Society. Officers for the 1973-74 school year were President - Mike Dowling Vice-President - Julie Wilson, Secretary — Carrie See, and Treasurer — Russ Jones. Although members are notified of their selection several times during the school year, there is one induction ceremony in the spring for all new members. April 3, 1974 was the date of this year's induction of new members and installation of new officers. Sponsors were Pat Ponder, Mary Rassmussen and Henry Thorton

Hidden Faces . . .

Time it me, time see what's become of me While I looked around for my possibilities I was hard to please. Look around, leaves are brown And the sky is a hazy shade of winter

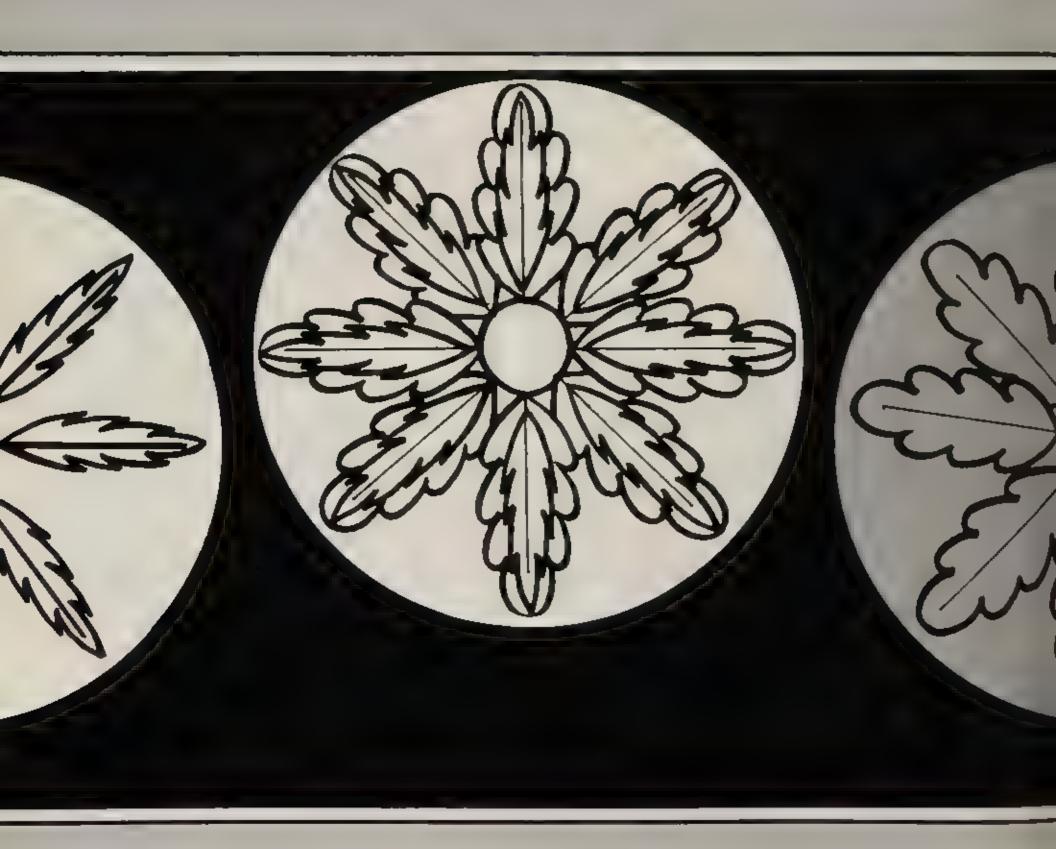

Hang on to your hopes, my friend,
That's an easy thing to say,
But if your hopes should pass away
Simply pretend that you can build them again
Look around, grass is high
And the fields are ripe, it's the springtime of my life

Seasons change with the scenery, Weaving time in a tapestry. Won't you stop and remember me At any convenient time...?

Hook around, leaves are brown And the sky is a hazy shade of winter

On February 17, fifteen students from CLHS boarded an Eastern Airlines flight for Washington, D.C. to particpate in the CLOSE UP program with 200 other students from the Houston area. The purpose of the federally funded program is for students to become acquainted with the federal government on a first hand basis — to literally see the textbook material come alive. While in Washington the students stay at the Sheraton Park, one of the most noted hotels. The program is a rigorious one with each day beginning at 7 a.m. and ending at 11.30. p.m. when the students must be in their rooms for bed check by security. Each day offered new opportunities. to listen and then question people in various positions in the government. The students were divided into discussion groups with a Close Up staff member as monitor. These groups met regularly after the day's activities to discuss its happenings. The keynote speaker opening the program was Chester Carter, who was Deputy Chief of Protocal in the State Department under President Kennedy. Seminars were held at the Sheraton Park, others were held at various department agencies. Among the people the students conferred with were Tom Grard of ABC, a member of the Republican National Committee, lobbyists, members of the State Department. Department of Defense, Atomic Energy Commission, White House Staffers, Representatives Bob Echhardt and Jack Brooks. Bill Archer had a breakfast for the students and Bob Casey took the students on to the floor of the House and explained the various parts of voting and debate on the floor. Senator Bentson spoke with the group but had to leave because of a roll call vote on the Senate floor dealing with the energy bill. A tour of the sights of D.C. was on the agenda culminating with the changing of the guards at Arlington Cemetery. Lunch and dinner at Kennedy Center with a tour of Watergate highlighted one day, with a pizza party at a Pizza Inn in Virginia one night. The highlight of the trip came Saturday when our students got a special tour of the White House Press. room and a private interview with Robert Pierpoint, CBS White House Correspondent. The meeting was arranged through Mrs. Dan Rather and about two hours of security check before we were allowed onto the White House grounds made the interview that much more special. CLHS students were the envy of the rest of the Close Up participants when we returned to the hotel Saturday afternoon. Before returning home Sunday we all went to Smithsonian Zoo and viewed all the beautiful animals including the Panda Bears presented to the U.S. by Red China and the only Rhino born in U.S. captivity.

The '73-'74 Season for Falcon Basketball team proved to be the best yet. The team record was 34-5 for the season with great victories over Kashmere in the finals of the CCISD Tournament and Port Arthur Lincoln in the YMBL Tournament. Two other great victories occurred as Lake downed Pasadena to take first place in District 24-4A, and as Lake beat LaMarque for the Bi-District title Lake was also invited to the Dr. Pepper Classic in which they lost to South Oak Cliff but beat Port Arthur Lincoln in the second game. The 5 teams Lake lost to were. Spring Branch, Bryan, South Oak Cliff, Deer Park, and Worthing. Perhaps what attributed to the success of our team was the outstanding spirit shown by the crowd at all the games.

Look I told you a hundred times

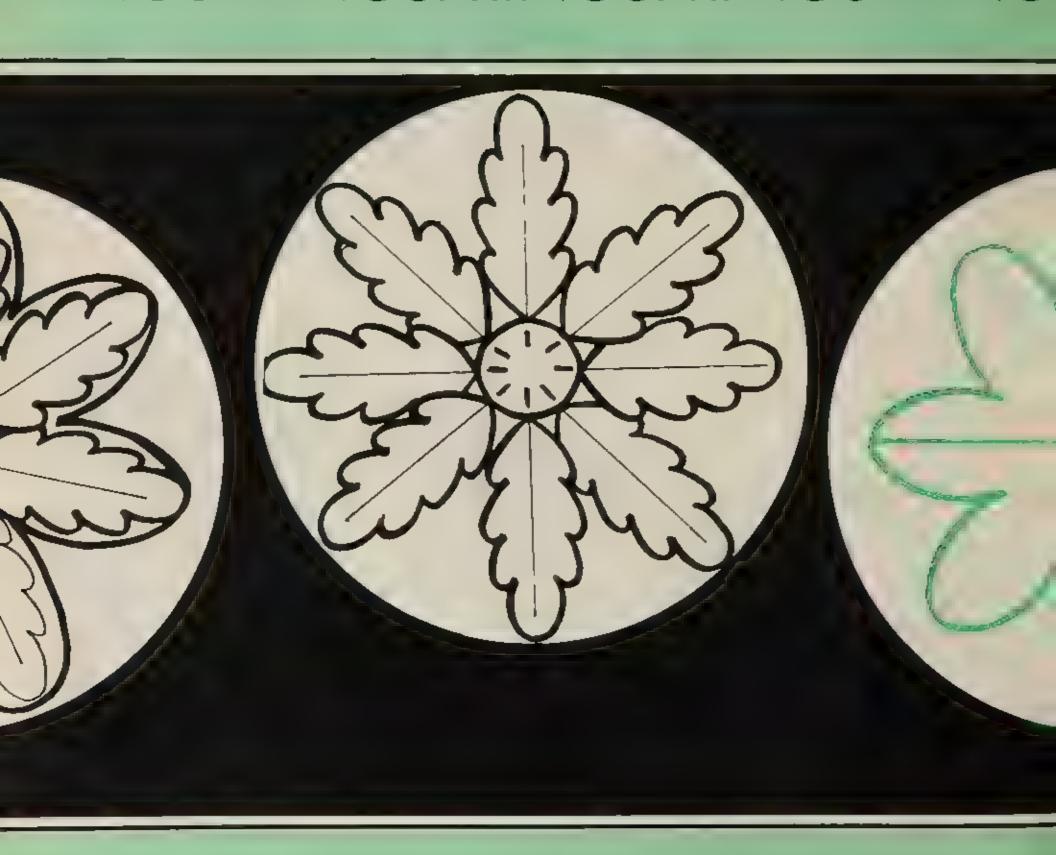

This is the springtime of my loving—
the second season I am to know
You are the sunlight in my growing—
so little warmth I felt before
It is the summer of my smiles—
fiee from the Keepers of the Gloom.
Speak to me only with your eyes
it is to you I give this June
I felt the coldness of my winter
I never thought it would never go
I cursed the gloom that set upon us
but I know that I love you so.

These are the seasons of emotion
And like the winds they rise and fall
This is the wonder of devotion —
I see the torch we all must hold
This is the mystery of the quotient —
Upon us all a little rain
must fall

# Basketball Banquet

The BASKETBALL BANQUET was held in the commons area on Thursday, March 28, 1974 at 7.00 p.m in honor of all the basketball teams, their managers and coaches. The banquet consisted of a buffet dinner which was followed by the introduction and recognition of the Falcon teams and coaches. Following this a special award was presented by Coach Krueger and Mr Parr to David Buchanan, who was awarded "the Most Outstanding Player of the 1973-74 season." The Banquet was closed with an address from a distinguished speaker, Dr. W. C. Newberry, from Southwest Texas State University

Senior cheerleaders in their farewell yell. John Jaderlund, Jenny Wilbarger, and Tommy Hults.

After weeks of stretching, jumping, and yelling in practice, CHEERLEADER TRYOUTS for '74-'75 were held in the boys' gym on April 15. Girls tried out in front of the entire student body by doing a cheer and a pom-pom routine. Competition was stiff; those that were elected had the satisfaction of knowing that they won on their own merit. Varsity cheerleaders chosen for the coming year were Gail Hodgson, Carey Mendel, Toni Owen, Stephanie Cypert, Pita Romero, Mary Liz Curtner, Sue Morse, Martha Bowles, and Ivy Thomas.

FALCON FLAIR try-outs were held in the Boys' Gym on Friday May 26. Three judges were invited to choose next year's team. Out of one hundred and ten girls who tried out, fifty-three were chosen, including old members. In addition, next year's officers were named. They are, Capt. Terry McPhail, First Lt. Carol Cannon, Lt. Kim Frazier, Lt. Lisa Lorentson, and Lt. Cathy Bissett. At the end, many tears were shed, both happy and sad as the Senior Flairs gave their positions to incoming Flairs.

On May 15 the annual Junior Reserved Officers Training Corps Awards Banquet was held in the cafeteria at Clear Creek HS. During the past year, the cadets in both high schools were in competition for the awards presented. The cadets from Clear Lake represented our school admirably, capturing some of the most coveted honors.

The highest award that a cadet in JROTC can receive is the Superior Junior Cadet Award. This medal is awarded by the Department of the Army for outstanding service in the corps of cadets. One medal is awarded to a Cadet in each training year. The cadet must display the highest academic and military leadership ability of all others in his training year. He must also display initiative by participating in extra curricular activities. Those being awarded this medal for '73-'74 are

Robert Stone, Jr., 2nd year cadet William W. Robbins, Jr., 3rd year cadet James Scott Schisser, 4th year cadet

"B" Company, commanded by cadet Captain William Robbins, Jr., a junior at the Lake, won the Best Company trophy. "B" Company won over "C" and "D" companies at Clear Creek High and "A" company at Lake. The award is based on all examinations, inspections, physical fitness tests, and fund raising projects for the entire year. For the first half of the year, "B" Company was commanded by C/Major Scott Schisser, a senior.

Symphonic Chorate

The Symphonic Chorale, Concert Choir, and Girls' Choir combined to produce the second annual SPRING CONCERT, May 14. Mr. Milton Pullen, Choir Director, coordinated and directed the program. The girls, dressed in formals, and the boys, in tuxedos, presented a variety of music

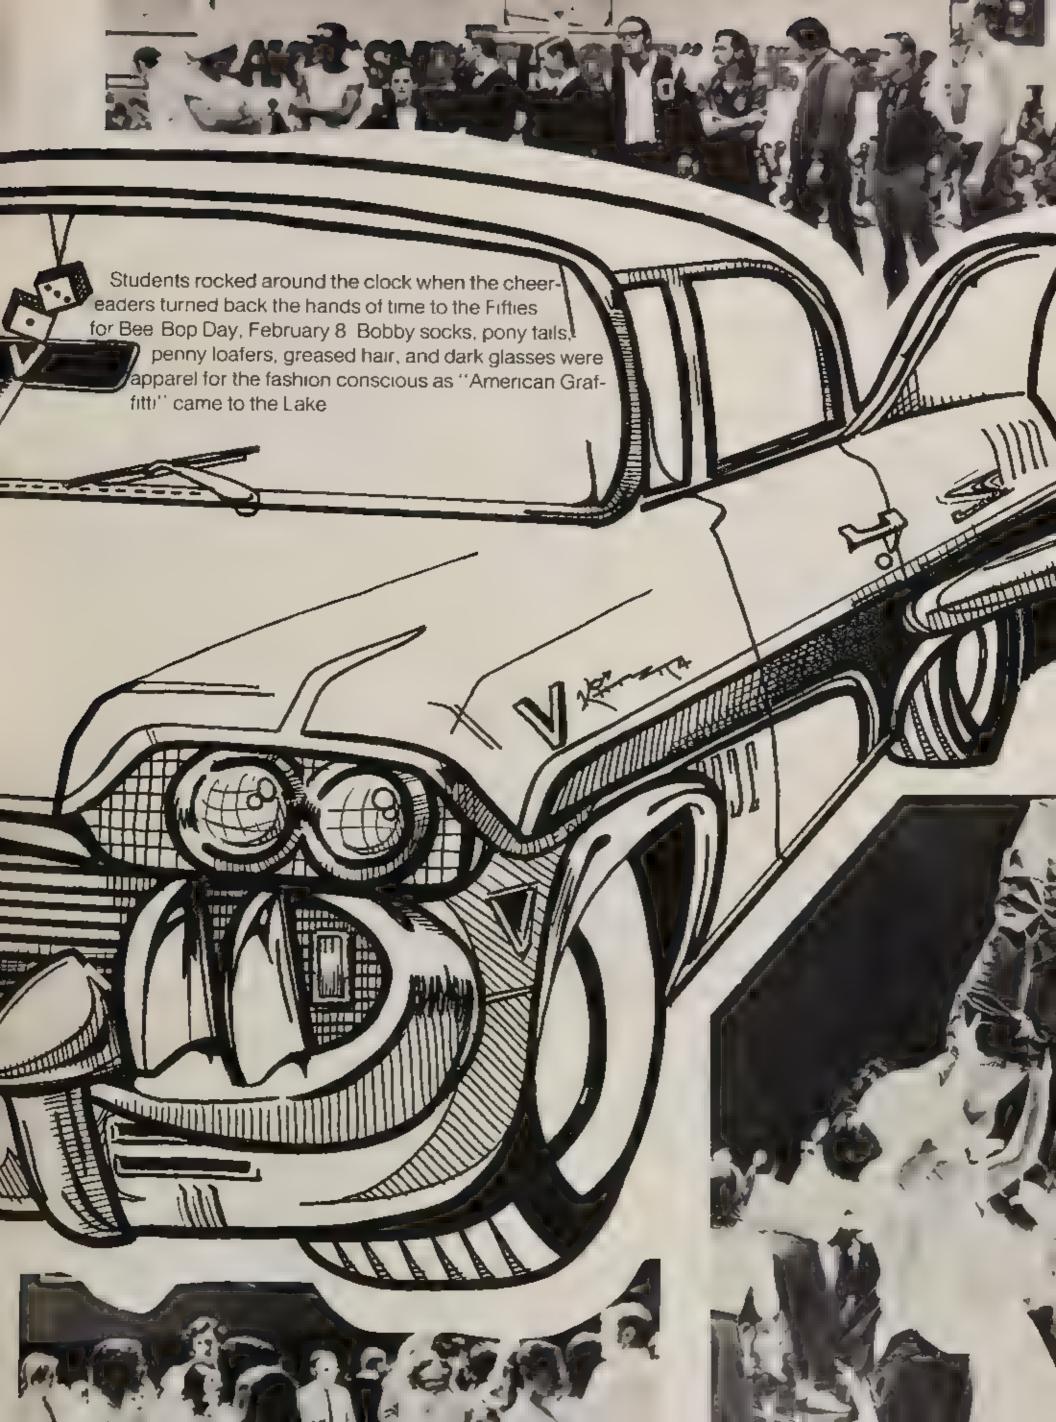

The first half of the program featured songs each of the choirs had sung during UIL competition in March, "Out of the Depth We Cry" was sung by the Concert Choir, and Casals "O Vos Omnes" was presented by the Symphonic Chorale

The second portion of the concert featured a lighter type of music sung by all the choirs together. Several numbers from the play *Godspell* were presented, along with a Carpenter's hit song, "I'm on the Top of the World." The Spring Concert, along with being a money-making project for the choir, was a salute to the graduating choir members. It was truly an enjoyable evening for all who attended

# If you really want to know about COLLEGE OF THE MAINLAND, why not ask the students who go there?

They it tell you that at College of the Mainland, each student is an INDIVIDUAL. Not an enrollment statistic. Not one of 500 students in a freshman lecture class. But a one-of-a-kind human being!

At College of the Mainland, there is a close relationship between students and instructors. Classes are small to allow individualized attention and every instructor sets aside at least five hours each week for personal conferences. In addition, students and staff have continual contact in countless extra-curricular activities scheduled throughout a typical school week.

The outstanding teaching staff is drawn to COM from all parts of the country. They all have advanced degrees and a thorough competence in their fields PLUS a sensitive awareness of the needs and aspirations of young people.

College of the Mainland has a national reputation for its unique, selfpaced approach to instruction. Courses offered in the Associate in Arts Degree Program are transferable to senior institutions and fully credited toward a B A or B.S. Degree.

A staff of professional counselors are available to discuss your goals, to help you assess your aptitudes and interests. You can set up a personal conference by calling the Admissions Office, 938-1211, Ext. 264.

College of the Mainland may be the college you're looking for Drop by for a visit — and be sure to talk to our students.

Gwen Jurca "If you re trying to find yourself, this is the place to come."

A bird's-eyeview of an informal Student Government Meeting in COM's College Center. The student-elected organization represents the student body on various college committees, thus insuring communication of student views to the Administration.

Frequent student instructor conferences are a basic part of the instructional program

Dan Thompson. "Let me put it this way College of the Mainland is good for your head."

Zaneta Burnett: "I feel I really count as an individual."

Michael Augustus, "It's exciting here There's a great freedom to get involved."

Ernie Pyle, "It's easy to establish open and direct communication with instructors because you know they really care
